

# CRIMINAL JUSTICE, BS

The mission of the Criminal Justice program is to capitalize on the diversity of the Clayton State student population and multidisciplinary training of faculty to provide students with a specialized understanding of the criminal justice system and criminal behavior. Curriculum and instruction are designed to advance knowledge, understanding, and skills relevant to the criminal justice discipline in order to prepare students for careers, advancement, or graduate studies in criminal justice, law, and other justice-related fields.

## Graduates of this program will be able to:

- Identify various functions of the criminal justice system
- Explain crime using criminological theories.
- Critically examine the relationship between the criminal justice system and various groups.
- Analyze criminal justice data.
- Apply knowledge from criminal justice coursework to real-world issues.

## Program Requirements

No grades of D in upper division courses are allowed. Upper division courses are all courses other than those of Areas A through F. 1000- or 2000-level courses used in the upper division are included in this restriction.
