

# GOVERNMENT & PUBLIC SERVICE, BS

The Government and Public Service program includes a core of courses essential for all public sector-related careers, plus a systematic study of political and governmental institutions and behavior. It focuses on governmental services, political theory, American and international law, political parties and interest groups, public opinion, and research methods. This degree seeks to prepare students for careers, advancement, or graduate studies in government, politics, law, and other political science-related fields.

## Graduates of this program will be able to:

- Understand the structure and perspective of Political Science.
- Understand the research processes of Political Science.
- Understand the institutions of government, politics, and law at the local, state, national and international levels.
- Understand alternative political systems.
- Understand the importance of civic engagement in American society.
- Demonstrate effective written communication skills.
- Demonstrate the ability to analyze data and textual materials, and to think critically.

## Program Requirements

No grades of D in upper division courses are allowed. Upper division courses are all courses other than those of Areas A through F. 1000- or 2000-level courses used in the upper division are included in this restriction.

Code	Title	Credit Hours
<b>Core IMPACTS</b>		<b>42</b>
