

DUAL MASTER OF BUSINESS ADMINISTRATION AND MASTER OF PUBLIC ADMINISTRATION

The Master of Business Administration (MBA)/Master of Public Administration (MPA) dual degree offers a unique opportunity for individuals who aim to work in the intersection of business and public administration or those who seek leadership roles in both the private and public sectors. The dual degree program will equip students with a diverse but complementary skill set combining business acumen with public sector knowledge, preparing them for a wide array of leadership positions in government agencies, non-profit entities, and private organizations. The dual degree provides greater versatility to pursue careers in both private and public sectors. This dual program consists of 48 combined credit hours between the MBA and the MPA.

Degrees must be awarded concurrently.
