

COMMUNICATION

To expedite application processing and provide timely information, the School of Graduate Studies will communicate with applicants primarily by email, unless email correspondence is not possible. Notification of admissions decisions will be by official letter from the School of Graduate Studies.

Applicants are encouraged to provide a web-based email address that will remain valid regardless of changes made in the internet provider services. Email addresses that are provided by applicants will be used only for the purpose of carrying out admissions business.

Important: Email accounts need to have adequate memory; and message filters need to be set appropriately to be sure that messages are not filtered from your mailbox before you can view them. Applicants should check email messages frequently.
