

# ADMISSIONS APPEALS

---

An application for admission must be submitted to Clayton State University before an appeal can be considered.

Students may appeal based on the following reasons:

- A denied applicant received a higher test score or obtained a higher GPA and wishes to be re-evaluated through submission of updated documents.
- A denied applicant has compelling reasons that clarify or explain academic ineligibility.

To begin the appeal process, applicants should submit the Admissions Appeal Form ([https://claytonstate.qualtrics.com/jfe/form/SV\\_0NEG8ddTSYkTuE6/](https://claytonstate.qualtrics.com/jfe/form/SV_0NEG8ddTSYkTuE6/)).

*Dual Enrollment and Graduate admissions decisions may not be appealed.*
