

UNDERGRADUATE GRADUATION REQUIREMENTS

General requirements for graduation are included in this section of the catalog. The curriculum and specific requirements for each program are listed in the subsequent sections for the four colleges of the University:

- a. College of Arts and Sciences (<https://catalog.clayton.edu/academic-catalog/arts-sciences/>)
- b. College of Business (<https://catalog.clayton.edu/academic-catalog/business/>)
- c. College of Health (<https://catalog.clayton.edu/academic-catalog/health/>)
- d. College of STEM (<https://catalog.clayton.edu/academic-catalog/information-mathematical-sciences/>)

Each student is responsible for both the general requirements in this section and the specific requirements for his or her chosen program of study.

A candidate for graduation is normally subject to the catalog graduation requirements that are in effect at the time the student entered his/her major program. If a student changes his/her major, the current catalog year will apply. A student may elect to satisfy the graduation requirements specified in a subsequent catalog. A student not enrolled for 2 or more consecutive calendar years is subject to the graduation requirements in effect at the time of readmission. Students must submit their graduation application by the published semester deadlines.
